Oslo Bar Stool
75 cm / 29.5"

"With the Oslo Counter & Bar Stool, we wanted to create a design that had a contemporary and elegant appearance, joined by extensive comfort. Its smooth, embracing curves makes the design both inviting and sculptural while the slender legs make for an elevated and refined look. The Oslo Counter & Bar Stool creates a new perspective on the traditional form with its rounded softness and gentle curves—a friendly design with modern yet long-lasting expressions."

Material	The frame is made from steel and FSC™-certified (FSC-CO28824) wood. The seat and back are constructed with molded PU foam and zig-zag springs for comfort and support. The legs are available in chromed or powder-coated steel and are fitted with felt glides.
Cleaning & Care	For textile upholstered versions: In case of stains, we generally recommend removing non-greasy stains by carefully dabbing with a lint-free cloth or sponge wrung out in clean warm water. If necessary, clean by dabbing with soapy water made with a little dish soap. Finally, dab the surface with clean water. We highly recommend that you go to kvadrat.dk for further cleaning and maintenance instructions for your chosen textile, as the cleaning methods may vary from one textile to another. Base: Clean with a moist cloth. If necessary, use a little dish soap on the cloth.
Spare Parts	Plastic glide included. Felt glides sold seperately.
